We are inviting all current, past and future EVS volunteers to join us for a friendly meeting that will be held from 22nd - 25th August 2010 in KAMENKA, a beautiful place in Czech Republic.

You will have an opportunity to meet volunteers from other countries, to make some friends, exchange your volunteer experience or to learn more about possibilities for doing an EVS project. The meeting will also include some leisure activities in beautiful nature around Kamenka, intercultural cooking as well as gaining some skills that you might need while doing EVS (team building, project writing, conflict resolution...).

Kamenka is approximately 338 km east of Prague, 482 km south-east of Dresden and 219 km west of Krakow. All you need to do is find some friends and to plan your cheapest way to Kamenka.
