## **Invitation to Participate Under the Auspices of the European Parliament**

### **„Young European of the Year“**

We are looking for young people from Europe between the ages of 18 and 26 who have worked in an outstanding capacity towards the understanding between peoples and/or European integration and in the process have achieved exemplary success: Young people who have learned to act with initiative, personal commitment and a sense of responsibility, thus showing they are prepared to grasp the opportunities of our time in forging peaceful coexistence in a Europe of diversity. We are not looking for young people with fully-fledged careers. Each year with this prize the Schwarzkopf Foundation Young Europe wishes to reward a young European for his/her outstanding commitment to fostering international understanding and the union of Europe. At the same time we want to encourage and motivate these young people to continue to champion these ideals.

The sum donated for the prize is € 5.000. This amount is intended to finance a six-month internship with a Member of the European Parliament or another European institution. It is also possible to use the sum to finance a project which promotes European integration. Such a project must further the aims of the Schwarzkopf Foundation and receive the agreement of the Foundation's board in order to be accepted.

If you know a young person who fits the bill then please fill in the enclosed nomination form and send it to:
